

Sandwell Academy Equality Objectives

In accordance with the Equality Act 2010, schools must have published equality objectives that are specific and measurable. These must be published so that they are accessible to all and updated annually.

These are the objectives for 2016 - 2017

1. To close the gap in the performance of boys and girls
2. To ensure that the progress of SEND students matches or is improving towards that of students with the same starting points
3. To identify early students who may become NEET and ensure appropriate intervention is in place
4. To close the gap in performance between pupil premium and non-pupil premium students
