

Sandwell Academy Equality Objectives

In accordance with the Equality Act 2010, schools must have published equality objectives that are specific and measurable. These must be published so that they are accessible to all and updated annually.

These are the objectives for 2018 - 2019

1. To close the gap in the performance of boys and girls
2. To close the gap in performance between pupil premium and non-pupil premium students
3. To increase students' understanding of sexual orientation and gender/sexual identities, including homophobia.
4. To improve the emotional wellbeing of Sandwell Academy students with mental health issues
